Dear Mr. Hasan:

Your advertisement for Cyber Expert in The Daily Prothom Alo dated 21st August 2022 caught my attention. I am a Cyber expert looking for an opportunity to prove my ability by elevating the growth of my potential company.

Previously, I have worked with Bug BD as a Cyber Expert for 3 years. I have a bachelor's and master's degree in Cyber Security. Because of my education and experiences, I can contribute directly to your organization by working as a Security Specialist. I consider myself as a suitable candidate because I have—

I would like to meet you to discuss the improvement of the Cyber Security activities of Your Company. Please, spare me 10 minutes of your time to discuss the future of your company's Security. Contact me anytime over the phone — +8801909074663 or
